

CITY OF GLENN HEIGHTS

Office of the Fire Chief	MEMO
--------------------------	------

To: David Hall, City Manager

From: Keith Moore, Fire Chief

Subject: COVID-19

Date: Tuesday, April 14, 2020

The City of Glenn Heights is taking COVID-19 seriously. We are doing everything in our power to keep the public informed as much as possible. Currently, the city has 11 confirmed positive cases within the city limits. Emergency Management staff believes it is important for citizens of Glenn Heights to know what neighborhoods are affected. We are releasing a map of the City of Glenn Heights indicating the neighborhoods where a positive confirmation of CoVID-19 is located. The citizens of Glenn Heights need to understand that this an infectious disease that is capable of being spread person to person. The city will be updating the map as new cases are added.

Respectfully,

A handwritten signature in cursive script, appearing to read "Keith Moore".

Keith Moore
Fire Chief
