

What Electronics can I Recycle?

- PCs/computers
 - laptops
- flat panel monitors
 - servers
 - printers
 - fax machines
 - modems
- cords and cables
 - keyboards
 - copiers
- **No CRT monitors**
- **No home electronics (TV's, microwaves, stereo equipment, radios, small kitchen appliances...**
 - **We will only destroy hard drives from an event if they are removed from the laptop or desktop already. Action Shred will not remove the hard drives from their devices to destroy them if they are dropped off. They will be recycled with the drive left in them.**
